**2004 ANNUAL MEETING WAIVER REQUEST FORM**  
**Orlando, Florida**

**Bylaws Requirement:** Active Members are required to attend at least one Annual Meeting during each three-year period. Associate Members are required to attend one Annual Meeting during each five-year period. These attendance requirements must be met unless the Board of Trustees has approved a petition for extension of the time period.

In the event of illness or other extenuating circumstances a member may petition the Board of Trustees for an extension of the designated period. However, such a petition must be submitted no later than 60 days after the last Annual Meeting at which attendance would have been required in order to avoid noncompliance with the attendance requirements.
