

# PROGRAM TRACKS

IMPLANTS		
CODE	SESSION TITLE	SESSION CATEGORY
HW1	Hands-On Workshop: Sinus Elevation	Hands-On Workshop
HW2	Hands-On Workshop: Implant Provisionalization to Optimize the Esthetic Outcome	Hands-On Workshop
GS1	Immediate versus Delayed Implant Loading: Point-Counterpoint	General Session
IP1	Innovations in Periodontics Session 1	Innovations in Periodontics
IP2	Innovations in Periodontics Session 2	Innovations in Periodontics
CE1	Alternatives in Maxillary Sinus Implant Therapy	Continuing Education
CPES1	Decision-Making and Protocols for Provisional (Temporary) Restorations with Single Tooth and Partially Edentulous Implant Patients	Clinical Practice Enhancement Showcase
FCE1	Management of Sinus Complications	Focused Continuing Education
CE13	Implant Complications	Continuing Education
IP4	Innovations in Periodontics Session 4	Innovations in Periodontics
FCE7	Narrow Diameter Implants: Expanding Your Options	Focused Continuing Education
FCE8	The Universal Implant Treatment Algorithm	Focused Continuing Education
INTERDISCIPLINARY THERAPY		
HW2	Hands-On Workshop: Implant Provisionalization to Optimize the Esthetic Outcome	Hands-On Workshop
IP2	Innovations in Periodontics Session 2	Innovations in Periodontics
CE2	Mini Implants for Orthodontic Anchorage	Continuing Education
CE14	Periodontal Surgical Procedures to Enhance Restorative Outcomes	Continuing Education
IP4	Innovations in Periodontics Session 4	Innovations in Periodontics
FCE10	Surgical and Orthodontic Management of Impacted Canines	Focused Continuing Education
GS4	Interdisciplinary Management of the Complex Esthetic Case	General Session
PERIODONTAL MEDICINE		
SS1	Sedation Session - Anxiety Management	Continuing Education
CE5	Evaluating Your Patient's Medical Risk	Continuing Education
FCE3	Herbs and Nutraceuticals	Focused Continuing Education
GS3	Risk Assessment and Management of the Medically-Compromised Patient	General Session
FCE12	Salivary Proteomic and Genomic Targets for Translational Applications	Focused Continuing Education
PERIODONTAL PLASTIC SURGERY/ORAL RECONSTRUCTIVE SURGERY		
IP2	Innovations in Periodontics Session 2	Innovations in Periodontics
CE6	Soft Tissue Management of the Edentulous Site	Continuing Education
IP3	Innovations in Periodontics Session 3	Innovations in Periodontics
FCE5	Gingival Tissue Augmentation for Dental Implants	Focused Continuing Education
CE11	Current Approaches to Root Coverage Grafting	Continuing Education
CE12	Techniques for Difficult Extraction Cases	Continuing Education
CPES2	Soft Tissue Augmentation in the Shallow Mandibular Vestibule	Clinical Practice Enhancement Showcase
PRACTICE DEVELOPMENT AND MANAGEMENT		
ABP1	American Board Review Part 1	Continuing Education
EV3	Speak Like a Leader	Continuing Education
ABP2	American Board Review Part 2	Continuing Education
CE4	Enhancing Your Referral Relationships	Continuing Education
FCE2	Incorporating Digital Photography into the Periodontal Practice	Focused Continuing Education
FCE9	Legal Considerations: Protecting Your Assets	Focused Continuing Education

# PROGRAM TRACKS

## THERAPIES TO OBTAIN/MAINTAIN A HEALTHY PERIODONTIUM

CODE	SESSION TITLE	SESSION CATEGORY
CE7	Controversies with Local Delivery Agents	Continuing Education
GS2	Understanding and Managing Biofilms	General Session
IP3	Innovations in Periodontics Session 3	Innovations in Periodontics
FCE6	New Technology: Multiple Applications for Maintenance Therapy	Focused Continuing Education
CE9	Surgical Management of Osseous Tissue	Continuing Education
CE15	Impact of Occlusion on Teeth and Implants	Continuing Education

## TISSUE ENGINEERING/REGENERATION

IP1	Innovations in Periodontics Session 1	Innovations in Periodontics
CE3	Periodontists Save Teeth	Continuing Education
CE8	Approaches to Extraction Socket Preservation	Continuing Education
FCE4	Biologics for Regeneration	Focused Continuing Education
CE10	Management of the Deficient Ridge	Continuing Education
FCE11	Tissue-Engineered Solutions for Esthetic Dilemmas	Focused Continuing Education

## ASSOCIATE MEMBER

EV2	Dental Hygiene Symposium: Advanced Periodontal Therapy: Points and Counterpoints	Continuing Education
SS1	Sedation Session - Anxiety Management	Continuing Education
EV3	Speak Like a Leader	Continuing Education
HW2	Hands-On Workshop: Implant Provisionalization to Optimize the Esthetic Outcome	Hands-On Workshop
GS1	Immediate versus Delayed Implant Loading: Point-Counterpoint	General Session
CE4	Enhancing Your Referral Relationships	Continuing Education
CE5	Evaluating Your Patient's Medical Risk	Continuing Education
CE7	Controversies with Local Delivery Agents	Continuing Education
CPES1	Decision-Making and Protocols for Provisional (Temporary) Restorations with Single Tooth and Partially Edentulous Implant Patients	Clinical Practice Enhancement Showcase
FCE3	Herbs and Nutraceuticals	Focused Continuing Education
FCE6	New Technology: Multiple Applications for Maintenance Therapy	Focused Continuing Education
CE13	Implant Complications	Continuing Education
CE15	Impact of Occlusion on Teeth and Implants	Continuing Education
GS3	Risk Assessment and Management of the Medically-Compromised Patient	General Session
FCE8	The Universal Implant Treatment Algorithm	Focused Continuing Education
FCE9	Legal Considerations: Protecting Your Assets	Focused Continuing Education
GS4	Interdisciplinary Management of the Complex Esthetic Case	General Session

## DENTAL HYGIENIST

EV2	Dental Hygiene Symposium: Advanced Periodontal Therapy: Points and Counterpoints	Continuing Education
HW3	Hands-On Workshop: Hand Instrumentation for Dental Hygienists	Hands-On Workshop
