Union Labor
Massachusetts is NOT a “right-to-work” state. Union Labor is available to assist in the installation and dismantling of exhibit booths. Exhibit labor, freight and rigging labor, electricians and plumbers can be arranged for at established rates using the order forms that will be included in the Exhibitor Service Manual.

Exhibit Labor Jurisdiction
The unpacking, erection, assembling, dismantling, and packing of displays and equipment may be done by full-time employees of the exhibiting company (no outside labor allowed). Skilled craftsmen will be available to assist exhibitors who wish to hire labor to perform these services. Arrangements for all temporary labor must be made through the official Service Contractor. Please use the Labor Order Forms included in the Exhibitor Service Manual. Outside labor of any kind is not permitted.

Material/Freight Handling Jurisdiction
The official Service Contractor has the responsibility of receiving and handling all exhibit materials and empty crates that come in via over the road carriers. It is the official Service Contractor’s responsibility to manage docks and schedule vehicles for the smooth and efficient move-in and move-out of the exhibition. The official Service Contractor will not be responsible, however, for any materials they do not handle. Exhibitors may unload their own private vehicles provided the vehicle is less than 24’. Unloading or reloading of any freight from any vehicle over 24’ in length will be handled by the official Service Contractor. Rates for material handling services will be included in the Exhibitor Service Manual.

Vehicles must not be left unattended at the loading areas. Any unattended vehicles will be towed at the owner’s expense.

The Fire Marshal absolutely prohibits the storage of empty containers in the exhibit hall. Arrangements have been made with the official Service Contractor to store empty crates. Please refer to the Material Handling Information sheet in the Exhibitor Service Manual for the handling of empties, disposal of skids, etc.

Gratuities/Breaks
Tipping is expressly prohibited. This includes such practices as giving money, merchandise, or other special consideration for services rendered. Do not give coffee breaks other than mid-morning and mid-afternoon, when the union has a 15-minute paid break. Meal breaks are one hour. Any attempt to solicit a gratuity by an employee for any service should be reported immediately to the official Service Contractor.

In General
Exhibitors do not have to respond to grievances or complaints from union and trade personnel with respect to work jurisdictions. Please refer all such disputes and/or questions to the official Service Contractor personnel immediately.

Safety
The safety of everyone working in the hall is of utmost concern at all times. Standing on chairs, tables and other rental furniture is prohibited. This furniture is not engineered to support standing weight. The official Service Contractor cannot be held responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, please order labor on the Labor Order Form included in the Exhibitor Service Manual and the necessary ladders and tools will be provided.

Electrical Services
Exhibitors are responsible for distributing their own 120V electrical cords and plugging in their booth equipment. Exhibitors may choose to: a) hire labor from the General Service Contractor; b) hire a third-party team to perform the distribution work; c) bring their own company’s electrician to perform distribution and hard wire connections as long as he/she is a full-time employee of the exhibiting company.
**Linear Booth**

Linear Booths have only one side exposed to an aisle and are generally arranged in a series along a straight line. They are also called “in-line” booths.

**Dimensions**

For purposes of consistency and ease of layout and/or reconfiguration, floor plan design in increments of 10ft (3.05m) has become the de facto standard in the United States. Therefore, unless constricted by space or other limitations, Linear Booths are most commonly 10ft (3.05m) wide and 10ft (3.05m) deep, i.e. 10ft by 10ft (3.05m by 3.05m). A maximum back wall height limitation of 8ft (2.44m) is generally specified.

**Use of Space**

Regardless of the number of Linear Booths utilized, e.g. 10ft by 20ft (3.05m by 6.10m), 10ft by 30ft (3.05m by 9.14m), 10ft by 40ft (3.05m by 12.19m), etc. display materials should be arranged in such a manner so as not to obstruct sight lines of neighboring exhibitors. The maximum height of 8ft (2.44m) is allowed only in the rear half of the booth space, with a 4ft (1.22m) height restriction imposed on all materials in the remaining space forward to the aisle. Note: When three or more Linear Booths are used in combination as a single exhibit space, the 4ft (1.22m) height limitation is applied only to that portion of exhibit space which is within 10ft (3.05m) of an adjoining booth.

**Corner Booth**

A Corner Booth is a Linear Booth exposed to aisles on two sides. All other guidelines for Linear Booths apply.
**Perimeter Booth**

A Perimeter Booth is a Linear Booth that backs to an outside wall of the exhibit facility rather than to another exhibit.

**Dimensions and Use of Space**

All guidelines for Linear Booths apply to Perimeter Booths except that the typical maximum back wall height is 12ft (3.66m).

---

**End-cap Booth**

An End-cap Booth is exposed to aisles on three sides and composed of two booths.

**Dimensions**

End-cap Booths are generally 10ft (3.048m) deep by 20ft (6.096m) wide. The maximum backwall height of 8ft (2.438 m) is allowed only in the rear half of the booth space, and within 5ft (1.524m) of the two side aisles, with a 4ft (1.219m) height restriction imposed on all materials in the remaining space forward to the aisle.
**Peninsula Booth**

A Peninsula Booth is exposed to aisles on three (3) sides and composed of a minimum of four booths. There are two types of Peninsula Booths: (a) one which backs up to Linear Booths, and (b) one which backs to another Peninsula Booth and is referred to as a “Split Island Booth.”

**Dimensions**

A Peninsula Booth is usually 20ft x 20ft or larger. When a Peninsula Booth backs up to two Linear Booths, the backwall is restricted to 4ft (1.219m) high within 5ft (1.524m) of each aisle, permitting adequate line of sight for the adjoining Linear Booths. 16ft (4.876m) is a typical maximum height allowance, including signage for the center portion of the backwall.

---

**Island Booth**

An Island Booth is any size booth exposed to aisles on all four sides.

**Dimensions**

An Island Booth is typically 20ft x 20ft or larger, although it may be configured differently.

**Use of Space**

The entire cubic content of the space may be used up to the maximum allowable height, which is usually 16ft (4.876m), including signage.

In addition, Academy rules and regulations mandate that the booth design/configuration must maintain 50% see-through visibility from all four aisles. Line-of-site visibility elements must not be greater than 4’ft (1.22m) high.

No hanging signs are allowed.

*All dates and times are subject to change.*
1. SPONSOR - The word “Sponsor” means the American Academy of Periodontology (AAP) acting through its respective officers, directors, members, committees, agents, or employees acting for it in the management of the Exhibition.

2. EXHIBITION DATES AND HOURS - The Exhibit Hall will be open to attendees during designated hours on September 10-12, 2017. No exhibitor, nor any employee, agent or servant of an exhibitor, shall be permitted to enter the Exhibition Hall until 90 minutes before the official opening hour, nor allowed to remain later than 90 minutes after the official closing hour, except on the last day of the Exhibition.

3. EXHIBITION STANDARDS – The AAP welcomes exhibitors at the American Academy of Periodontology 2017 Annual Meeting, as exhibits constitute an important means of keeping members informed of new and improved products and services for the provision of periodontal care. Exhibits and promotional materials should be dignified, and truthful and not misleading, and designed to provide useful and reliable information. Participating firms will be limited to those which have periodontal/dental directed products, equipment, or services, except that consumer items may be accepted for display where the Sponsor considers it necessary for individuals to know of their availability and labeling in connection with education of the public. The exhibition of a product or service at the AAP Annual Meeting does not constitute an AAP endorsement of the product or service, or of the claims made.

4. PERMISSIBLE EXHIBITS/PRODUCT AND MATERIAL DISTRIBUTION - All business activities of the Exhibitor at the AAP 2017 Annual Meeting must be within the Exhibitor’s allotted exhibit space. The distribution of product samples in Exhibitor’s booth(s) must be distributed at least two feet inside of the booth. The serving of alcohol within the contracted booth space is prohibited except during the AAP Welcome Reception. The use of propane, butane or other combustible bottled gas is prohibited. Helium balloons are prohibited. At any time or times before or during the Exhibition, the Exhibitor must promptly furnish the Sponsor with sample products, packages, labels, advertising and promotional literature that would be or is being distributed before Exhibitor will be eligible to participate or continue in the Exhibit Hall. The Sponsor reserves the sole and absolute right to determine which firms and products are appropriate in its judgment for inclusion in the Exhibit Hall and to refuse, cancel or restrict any applicant or exhibit which the Sponsor considers undesirable for any reason. This provision applies to Exhibitor’s conduct, articles, printed matter, samples, questionnaires or any other actions or items that the Sponsor deems objectionable. If the Sponsor decides that any of the above do not meet its standards or is not suitable, the Exhibitor must at once comply with the Sponsor’s request and withdraw from the Exhibition. If appropriate, the Exhibitor may be eligible to be reimbursed for the rental fee paid, prorated for unused time.

5. SPACE ASSIGNMENT - The AAP uses a priority system for assigning booth space, as outlined under “Booth Assignment Procedures and Deposits”. The first round of booths will be assigned under the priority point system on Monday, September 12, 2016, and Tuesday, September 13, 2016 while in San Diego. All other space is reserved on a first-come, first-served basis. A $1,000 (per 100 square feet of space) deposit is required with all contracts at time of submission. The balance is due by March 17, 2017. All contracts submitted after March 17, 2017 must include full payment.

6. RATES, DEPOSITS, CANCELLATION, REFUNDS - Booth space rates will be charged at $37 per square foot with a $250 charge for each corner assigned. A deposit of $1,000 per 10’ x 10’ (100 square feet) of space is required when the application/contract is submitted. The balance is due by March 17, 2017. All cancellations or reductions must be made in writing. Booths cancelled by January 6, 2017, are subject to a $250 cancellation fee. Cancellations received between January 7, 2017, and March 17, 2017, are eligible to receive a 50 percent refund of the total booth rental fee. Cancellations/reductions after March 17, 2017, are not eligible to receive a refund. All cancellation fees are payable immediately upon cancellation. These cancellation fee terms will apply regardless of the execution date of the application.

7. SPACE REASSIGNMENT - All or any part of the designated space is subject to reassignment and rearrangement at the sole discretion of the Sponsor for the purpose of consolidation of display space or for any reason.
The Sponsor may also assign or reassign space to Exhibitor as required by the need of Exhibitor for water, drain, gas, electricity, air, steam, or other services and the availability, capacity and locations of these services. The judgment of the Sponsor with respect to such reassignment or rearrangement of space shall be final, although the total square footage occupied by Exhibitor resulting there from shall not be reduced or increased substantially without the consent of Exhibitor. If space is so reduced or increased, the amount payable shall be appropriately adjusted.

8. SUBLETTING OF SPACE - No Exhibitor shall assign, sublet, or apportion the whole or any portion of space allotted to any other Exhibitor or person except to a parent, subsidiary, or affiliated corporation or business that also meets all of the requirements set forth in these regulations. Exhibitor remains fully responsible and liable under its contract for all activities of any person to occupy or use its space.

9. LIABILITY - The Exhibitor agrees that neither the Sponsor, the Massachusetts Convention Center Authority, or the Boston Convention & Exhibition Center, nor any of their officers, directors, members, agents, and employees, shall be held liable for any damage, loss, harm, or injury to the person or property of the Exhibitor or any of its officers, directors, agents, or employees, resulting from theft, fire, water, accident, or any other cause.
