**IMPORTANT CANADA TRAVEL NOTICE:**

Please note that entry into Canada can be restricted for many reasons including, among others, those related to criminal activity, security, and health. A DUI arrest or conviction inside or outside of Canada is often cited as a reason for denied entry. There are a number of ways to address these matters, some of which might take some time, and so you will want to be sure that you allow sufficient time to research and take any next steps with your own advisor.

The American Academy of Periodontology is not able to address individual situations. Please visit the Government of Canada’s website at [cic.gc.ca/english/information/inadmissibility/conviction.asp](http://cic.gc.ca/english/information/inadmissibility/conviction.asp) or the Canada Border Services website at [cbsa-asfc.gc.ca/menu-eng.html](http://cbsa-asfc.gc.ca/menu-eng.html) for more information.
EXHIBIT AT THE PREMIER LIVE-LEARNING EVENT IN PERIODONTICS

For 104 years, the American Academy of Periodontology Annual Meeting has been the premier live-learning and networking event in periodontics. In 2018, the AAP Annual Meeting heads to the picturesque and vibrant city of Vancouver. Over 2,100 attendees are expected to make their way to Vancouver to take in the sights, experience innovative continuing education sessions led by world-class speakers, and mingle with periodontal professionals from around the world at the 2018 AAP Annual Meeting.

The AAP is also excited to be collaborating with the Canadian Academy of Periodontology (CAP), the Japanese Academy of Clinical Periodontology (JACP), and the Japanese Society of Periodontology (JSP) at the 2018 Annual Meeting.

Periodontics is one of the nine dental specialties recognized by the American Dental Association.

LABOR JURISDICTIONS

To assist you in planning your participation in the AAP Annual Meeting in Vancouver, please note that union labor will be required for certain aspects of your exhibit handling. The following labor jurisdictions have been provided by The Expo Group, the AAP’s official service contractor.

Display Installation/Dismantle
The Expo Group will have union labor available for installation and dismantling. Full time employees of the exhibiting company, may however set their own exhibits. Labor can be ordered in advance by returning the display Labor order form or can be ordered at show site at The Expo Group service desk.

Material Handling/Freight
The Expo Group will control access to the loading docks in order to provide a safe and orderly move-in/out. The unloading and delivery of all display related materials, machinery and equipment from the convention site docks to the exhibitors’ booth and loading out from the exhibitor’s booths to trucks at the docks will be performed by the Official Service contractor. Exhibitors may ‘hand carry’ their own materials into the exhibit facility, however the use of dollies, flat trucks and other mechanical equipment is not permitted. Current union jurisdictions also preclude hotel personnel from delivering materials to exhibit booths.

Gratuities /Breaks
Tipping is expressly prohibited. This includes such practices as giving money, merchandise, or other special consideration for services rendered. Any attempt to solicit a gratuity by an employee for any service should be reported immediately to official Service Contractor, The Expo Group (TEG).

In General
Exhibitors do not have to respond to grievances or complaints from union and trade personnel with respect to work jurisdictions. Please refer all such disputes and/or questions to the official Service Contractor, The Expo Group (TEG) personnel immediately.

Safety
Safety of everyone working in the hall is of our utmost concern at all times. Standing on chairs, tables and other rental furniture is prohibited. This furniture is not engineered to support improper use. The official Service Contractor, The Expo Group (TEG) cannot be held responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, please order labor on the Labor Order Form included in this manual and the necessary ladders and tools will be provided.

The Vancouver Convention Centre endeavors to operate in a manner that fully complies with the WorkSafeBC Occupational Health and Safety regulations. The facility requests the full cooperation of our clients, their contractors, suppliers, staff, exhibitors and guests in ensuring a safe and healthy environment. As part of this effort, some event activities may require that specific safety measures be taken, particularly during set-up and teardown. This may include the requirement for personal protective equipment (PPE) including high-visibility vests, safety footwear, hard hats, and protective eyewear.
Linear Booths have only one side exposed to an aisle and are generally arranged in a series along a straight line. They are also called “in-line” booths.

**Dimensions**

For purposes of consistency and ease of layout and/or reconfiguration, floor plan design in increments of 10ft (3.05m) has become the de facto standard in the United States. Therefore, unless constricted by space or other limitations, Linear Booths are most commonly 10ft (3.05m) wide and 10ft (3.05m) deep, i.e. 10ft by 10ft (3.05m by 3.05m). A maximum back wall height limitation of 8ft (2.44m) is generally specified.

**Use of Space**

Regardless of the number of Linear Booths utilized, e.g. 10ft by 20ft (3.05m by 6.10m), 10ft by 30ft (3.05m by 9.14m), 10ft by 40ft (3.05m by 12.19m), etc. display materials should be arranged in such a manner so as not to obstruct sight lines of neighboring exhibitors. The maximum height of 8ft (2.44m) is allowed only in the rear half of the booth space, with a 4ft (1.22m) height restriction imposed on all materials in the remaining space forward to the aisle. Note: When three or more Linear Booths are used in combination as a single exhibit space, the 4ft (1.22m) height limitation is applied only to that portion of exhibit space which is within 10ft (3.05m) of an adjoining booth.

**CORNER BOOTH**

A Corner Booth is a Linear Booth exposed to aisles on two sides. All other guidelines for Linear Booths apply.
PERIMETER BOOTH

A Perimeter Booth is a Linear Booth that backs to an outside wall of the exhibit facility rather than to another exhibit.

**Dimensions and Use of Space**

All guidelines for Linear Booths apply to Perimeter Booths except that the typical maximum back wall height is 12ft (3.66m).

![Perimeter Booth Diagram](image)

END-CAP BOOTH

An End-cap Booth is exposed to aisles on three sides and composed of two booths.

**Dimensions**

End-cap Booths are generally 10ft (3.048m) deep by 20ft (6.096m) wide. The maximum backwall height of 8ft (2.438 m) is allowed only in the rear half of the booth space, and within 5ft (1.524m) of the two side aisles, with a 4ft (1.219m) height restriction imposed on all materials in the remaining space forward to the aisle.

![End-cap Booth Diagram](image)
**PENINSULA BOOTH**

A Peninsula Booth is exposed to aisles on three (3) sides and composed of a minimum of four booths. There are two types of Peninsula Booths: (a) one which backs up to Linear Booths, and (b) one which backs to another Peninsula Booth and is referred to as a “Split Island Booth.”

**Dimensions**

A Peninsula Booth is usually 20ft x 20ft or larger. When a Peninsula Booth backs up to two Linear Booths, the backwall is restricted to 4ft (1.219m) high within 5ft (1.524m) of each aisle, permitting adequate line of sight for the adjoining Linear Booths. 16ft (4.876m) is a typical maximum height allowance, including signage for the center portion of the backwall.

**ISLAND BOOTH**

An Island Booth is any size booth exposed to aisles on all four sides.

**Dimensions**

An Island Booth is typically 20ft x 20ft or larger, although it may be configured differently.

**Use of Space**

The entire cubic content of the space may be used up to the maximum allowable height, which is usually 16ft (4.876m), including signage.

In addition, Academy rules and regulations mandate that the booth design/configuration must maintain 50% see-through visibility from all four aisles. Line-of-site visibility elements must not be greater than 4ft (1.22m) high.

*No hanging signs are allowed.*

Exhibits and promotional materials should be dignified, and truthful and not misleading, and designed to provide useful and reliable information. Participating firms will be limited to those which have periodontal/dental directed products, equipment, or services, except that consumer items may be accepted for display where the Sponsor considers it necessary for individuals to know of their availability and labeling in connection with education of the public. The exhibition of a product or service at the AAP Annual Meeting does not constitute an AAP endorsement of the product or service, or of the claims made.

4. **PERMISSIBLE EXHIBITS/PRODUCT AND MATERIAL DISTRIBUTION** – All business activities of the Exhibitor at the 2018 AAP Annual Meeting must be within the Exhibitor’s allotted exhibit space. The distribution of product samples in Exhibitor’s booth(s) must be at least two feet inside of the booth. Helium balloons are prohibited.

   The Exhibitor must furnish the Sponsor with sample products, packages, labels, advertising and promotional literature that will be distributed by the Exhibitor no later than thirty (30) days prior to the start date of the 2018 AAP Annual Meeting before the Exhibitor will be eligible to participate in the Exhibit Hall. The Sponsor reserves the sole and absolute right to determine which firms and products are appropriate in its judgment for inclusion in the Exhibit Hall and to refuse, cancel or restrict any applicant or exhibit which the Sponsor considers undesirable for any reason. This provision applies to Exhibitor’s conduct, articles, printed matter, samples, questionnaires or any other actions or items that the Sponsor deems objectionable. If the Sponsor decides that any of the above do not meet its standards or is not suitable, the Exhibitor must at once comply with the Sponsor’s request and withdraw from the Exhibition. If appropriate, the Exhibitor may be eligible to be reimbursed for the rental fee paid, prorated for unused time.

5. **SPACE ASSIGNMENT** – The AAP uses a priority system for assigning booth space, as outlined under “Booth Assignment Procedures and Deposits”. All other space is reserved on a first-come, first-served basis. A $1,000 (per 100 square feet of space) deposit is required with all contracts at time of submission. The balance is due by April 13, 2018. **All contracts submitted after April 13, 2018 must include full payment.**

   Telephone requests for specific space must be followed with a completed contract and required deposit or full payment within five working days of the request. Otherwise, space will be offered to another Exhibitor and/or not held.

6. **RATES, DEPOSITS, CANCELLATION, REFUNDS** – Booth space rates will be charged at $37.50 per square foot with a $250 charge for each corner assigned.

   A deposit of $1,000 per 10’ x 10’ (100 square feet) of space is required when the application/contract is submitted. The balance is due by April 13, 2018.

   All cancellations or reductions must be made in writing. Booths cancelled or reduced by January 5, 2018, are subject to a $250 cancellation fee.

   Cancellations received between January 8, 2018 and April 13, 2018, are eligible to receive a 50 percent refund of the **total booth rental fee**. Cancellations/reductions after April 13, 2018, are not eligible to receive a refund.

   All cancellation fees are payable immediately upon cancellation. These cancellation fee terms will apply regardless of the execution date of the application.

   All dollar amounts referred to in this agreement are in United States Dollars (“U.S. Dollars”), and all amounts owing under this agreement shall be paid in U.S. Dollars.

7. **SPACE REASSIGNMENT** – All or any part of the designated space is subject to reassignment and rearrangement at the sole discretion of the Sponsor for the purpose of consolidation of display space or for any reason. The Sponsor may also assign or reassign space to Exhibitor as required by the need of Exhibitor for water, drain, gas, electricity, air, steam, or other services and the availability, capacity and locations of these services. The judgment of the Sponsor with respect to such reassignment or rearrangement of space shall be final, although the total square footage occupied by Exhibitor resulting there from shall not be reduced or increased substantially without the consent of Exhibitor. If space is so reduced or increased, the amount payable shall be appropriately adjusted.

8. **SUBLETTING OF SPACE** – No Exhibitor shall assign, sublet, or apportion the whole or any portion of space allotted to any other Exhibitor or person except to a parent, subsidiary, or affiliated corporation or business that also meets all of the requirements set forth in these regulations. The Exhibitor may not list, advertise or promote the Academy's programs or speakers. Such claims may imply endorsement or may otherwise be misleading and deceptive. When referring to this Exhibition in any printed context, such as advertising or direct mail promotions, the Exhibitor shall specify the event name as "American Academy of Periodontology Annual Meeting Exhibition." Uses of the words “convention” or “trade show” as titles are inaccurate and inappropriate. Drugs or devices which require pre-market clearance, or approval from the FDA, or which must comply with established product standards, will not be eligible for exhibiting unless FDA clearance or approval has been obtained or the appropriate product standard is met. Exhibitors understand and agree that permission from the FDA to exhibit devices that are not cleared or approved must be obtained prior to the exhibition of the product. If the FDA denies or withdraws its permission to exhibit any device that is not approved or cleared, the Sponsor reserves the right to either (a) restrict the display in the Exhibitor’s booth to products and services meeting all exhibition requirements, standards, and procedures; or (b)
cancel the Exhibitor’s contract if the FDA has denied or withdrawn its permission on the only product(s) that the Exhibitor planned to display. In no event shall AAP’s liability, if any, exceed the rental payment made to AAP by the Exhibitor.
