

2023 AAP Membership Recruitment & Rewards Program

Promote AAP membership to your periodontal colleagues!

The AAP is your esteemed community and thrives because our dedicated members understand the value that can only come from belonging to a professional organization like the AAP.

By sharing the many ways that the AAP supports the specialty of periodontics, you can help the Academy grow **and** earn rewards for doing so!

**Active, Life Active, International, and Retired members can participate in this program. Active, Life Active, International, and Retired members are eligible for recruitment. Current and/or renewing members cannot be counted as new members. Only those who have been lapsed for more than three years are eligible for recruitment.*

Recruit 1 new member

50% off one-year AAP membership renewal

1

Recruit 2 or more new members

Complimentary, one-year AAP Active membership

2
